

Welcome

Welcome to edition 72 of The Windmill.

Happy Easter to all

I would like to wish all Windmill readers a happy and safe Easter period. I hope that all of you get a chance to spend time with your family and friends.

Whilst I will be taking a few days break with my family at Victor Harbor, it is business as usual at Rembrandt Court and Home Care services, as pre-arranged. I will (of course) have my mobile phone (0434 275 543) if there are any issues. I will be back bright-eyed and bushy tailed on Tuesday morning.

New Wi-Fi

We will be officially transferring over to our new Wi-Fi from Tuesday 18 April, meaning that from this date, the old Wi-Fi will be cut off. Please see Reception to sign the new Wi-Fi agreement (note: there is no cost to residents) and get the new log on details.

Bus Sponsors?

We would like to buy or lease a bus (with wheelchair access) to enable us to transport our residents and clients around to events and activities, outings or and sight-seeing trips. To assist with the financial burden of this we are seeking Sponsors – if you know of any organisation that may be interested in supporting this great cause and having their logo displayed on the bus please let me know.

Works in Progress at Rembrandt Court

- **Fencing:** Work on our new perimeter fencing is continuing and is looking great!
- **Room Renovations:** Work on Room 12 in House 4 is continuing

Please take care when entering and exiting Rembrandt Court and around the areas of work. Unfortunately there will be some additional noise from these works.

Staff Movements

I am pleased to announce that our new Executive Assistant, Agnes Fowler has commenced and loves being able to greet and say “Goedemorgen” to you all.

Flu Vaccines: 26th April 2017

We highly recommend people getting an annual flu shot, particularly those in vulnerable groups and people who live, work or visit people residential homes like ours. This year’s Flu Vaccines will be administered to staff and residents who wish to have it by our in-house GP Dr. Lehmann on Wednesday 26th April 2017. As someone who is quite needle phobic, I can assure you all it is very painless and I will line up again this year!

Calling all Rembrandt Court “Garden Gurus”

If you have an interest in gardening (whether that be getting your hands dirty or just merely providing input on what to plant where) please join our new Garden Gurus group. The group, which will be coordinated by our new Gardener/Groundsperson Jeneaha will meet regularly and provide input into the gardens at Rembrandt Court. If you are interested, please leave your name with our wonderful Receptionist Cathy.

Resident Feedback

The Resident’s Feedback Forum was held on 12th April and discussed the following:

- Bain-Marie in House 7 great success, residents have a choice of food and portion size and are able to get up to the Bain-Marie – Very big improvement, hardly any food wastage. House 6 not as successful as in House 7 with a little more food wastage;
- Fencing looks very nice;
- Request to have a trip once a month, preferably on a Thursday, to the Central Market; and
- Brief discussion new call bell system.

New Bain-Marie Food Service

The introduction of the bain-marie food service system worked well this week. The new system enables residents to choose what they would like for their meal, what size of meal they would like and have it served to them right in front of them. The kitchen staff will ask each resident 4 questions:

1. Chicken or fish today?
2. All the sides?
3. What size do you feel like today?
4. For dessert, Pudding or Fruit?

We will continue to monitor it closely and thank you for your patience.

Tracey Murray, Sylvia Laaber and Monique Pattiwaellapia attended the Positive Ageing Expo on Friday 7 April. The Expo was a great success and our stall looked amazing, see photos below!
