FROM THE EDITOR

Welcome to the 91st edition of The Windmill.

We have a big couple of weeks coming up including:

Rembrandt Balance Gym opens this Monday 28th August for all residents and staff to use once they have completed the Membership paperwork.

Memorial Service & Tree of Life

We are looking forward to launching this new Rembrandt tradition and remembering those who have passed with a morning tea on the 7th September.

New chairs for House 3 & 4

The new lounge chairs for House 3 & 4 will arrive on Monday and the furniture re-arranging will occur on Wednesday (with little disruption we hope).

Hobby Area in House 1, 2 & 5

On Wednesday we will also setup our new Hobby Area in the lounge of Houses 1, 2 & 5 (opposite the pool table). This area will give residents the space to work on hobby, art, and craft projects at their leisure. Our plans to locate this space as part of the Maintenance Shed have been halted, primarily due to the lack of air conditioning in the area and the exorbitant costs to install such.

Dark colour bedside cupboards

Residents with a dark timber bed – your new bedside cupboards have arrived and will be given out next week.

LIFESTYLE

- Can there be more resident outings and
- Reducing the size of the screen fencing outside House 6.

New Clothing Labelling

It has come to our attention that a number of families have brought in new clothing and placed them straight into the wardrobe without a label. This makes it extremely difficult to track lost items. To alleviate this problem, please bring any new clothing in a bag to Reception and ask for the items to be labelled. Reception will then organise for Hotel Services staff to accurately label each garment.

Nurse Call System

The new nurse call system is live now. If you have any issues with the new system, or if you have any of the old nurse call equipment, please let staff know.

Renovation Work

The continuation of renovations in House 4 will commence on Monday 28th, with work beginning in Rooms 1 and 1A. Please be mindful of workers in the area, and we apologise in advance for the noise and vibration which will occur during this time. We will keep you updated with progress and expected completion date.
