

## Commonwealth Home Support Program Service Charges

All entry level services provided by Rembrandt Living are funded by the Federal Government's Commonwealth Home Support Program (CHSP). The National CHSP Fees Policy principles seek a contribution from consumers towards the cost of CHSP support services they receive, at a level that is fair and affordable, but also flexible to adapt to individual situations and circumstances.

Contribution Level 1 relates to CHSP eligible recipients receiving the Aged Pension or a full Disability Support Pension, as well as those who are self-funded retirees in receipt of a Commonwealth Seniors Health Card.

Contribution Level 2 relates to other CHSP eligible recipients, not fitting into the category above, i.e. Self-Funded Retirees not in receipt of a Commonwealth Seniors Health Card.
