

Dear valued Rembrandt Residents, Clients, Staff, Families & Friends

Re: COVID-19 PANDEMIC UPDATE - INCREASE IN ALERT STATUS

We hope this again finds you all well and thank you all for your ongoing support.

In response to the new Parafield Cluster here in SA, we have made the necessary decision to increase our Alert Stage across our organisation to Orange, effective immediately.

The Orange Alert Stage includes:

1. All visits to our residential care home are temporarily suspended (except for planned end-of-life visits);
2. Some restrictions on our home care services including the cancellation of all allied health and social groups; and
3. An increase in the use of PPE across our services (including compulsory masks in residential care).

This Alert Level will remain for 14 days at this stage. We continue to monitor the situation closely and we will adjust our strategy (with little or no notice if needed) to ensure the safety of our residents and staff. We thank you in anticipation for your understanding.

As always if you have any questions please do not hesitate to contact us on info@rembrandtliving.org.au or 8198 0300.
