Dear valued Rembrandt Residents, Clients, Staff, Families & Friends

Re: COVID-19 PANDEMIC UPDATE – PLEASE READ

I hope this finds you all well. We remain committed and focused on ensuring everything 'Rembrandt' remains COVID-19 free and thus ask again for your support and cooperation!

As Deb has mentioned in previous correspondence, it is hard to keep up with all these changes and unfortunately, I must advise of another one.

Earlier today SA Health notified us of a new directive to come into effect from 0001 on Tuesday 1 December 2020 (midnight tonight), the Emergency Management (Residential Aged Care Facilities No 15) (COVID-19) Direction 2020.

In addition to previous requirements this directive includes- **Everyone onsite at Rembrandt Court (excluding residents and children under 12 years) must wear a surgical mask (covering mouth and nose) at all times when in the physical presence of other people.**

In order to adhere to this requirement, we ask all visitors, contractors, family and friends to wear a mask at all times when on site.

We encourage visitors to come on site for care and support visits wearing a mask. However, we understand this may not be possible therefore, masks are available at reception as you enter our facility.

Please continue to watch our communications for further updated information.

As always if you have any questions please do not hesitate to contact us.
