Dear valued Rembrandt Residents, Staff, Families & Friends

Re: UPDATE - COVID OUTBREAK – REMBRANDT COURT

Thank you so much for your patience over the past 48 hours as we have been dealing with an outbreak of COVID-19.

We are very pleased to be able to advise you that we have managed to contain infections into Rose House and Tulip House, and, with careful co-location, it has now been reduced to the one house – Rose.

Unfortunately, we have a further two residents who have tested positive to COVID-19 taking the total cases so far in Rembrandt Court to four. Families have been informed; however, it is pleasing to be able to report that all of the four residents are well.

Staff continue to be RAT tested prior to their shifts every 48 hours and we are pleased to report all staff have returned negative results thus far.

We have set into place a staged relaxation of the rules, which takes into consideration exemptions for those unaffected residents who are severely compromised by their inability to have family contact. Individual families have been notified. This will remain in place for 48 hours, in line with SA Health directives, and once we have the next set of results on Sunday, decisions will be made to hopefully consider relaxing a little more. It should be noted that in the meantime, we are continuing with the Code Red.

We will continue with, and increase, Face Time calls for residents and their families, assisted by our Lifestyle staff.

We continue to monitor the situation closely and we will adjust our strategy (with little or no notice if needed) to ensure the safety of our residents and staff. We thank you in anticipation for your understanding.

As always if you have any questions, please do not hesitate to contact us on info@rembrandtliving.org.au or 8198 0300.
