Dear valued Rembrandt Residents, Staff, Families & Friends

Re: UPDATE - COVID OUTBREAK – REMBRANDT COURT

Thank you so much for your patience and understanding during this COVID-19 outbreak.

As previously advised, infections have been contained to Rose House however unfortunately we have had one more resident and two staff members test positive to COVID-19 yesterday. This taking the total cases so far in Rembrandt Court to 5 residents and 2 staff. Families have been informed; however, it is pleasing to be able to report that all concerned are relatively well.

Our staged lockdown relaxation has commenced with some internal changes being made however we hope to further progress the relaxation (including visitations) this Thursday. Once these changes are made the next of kin will be contacted directly. It should be noted that in the meantime, we are continuing with the Code Red.

We will continue with, and increase, Face Time calls for residents and their families, assisted by our Lifestyle staff.

We continue to monitor the situation closely and we will adjust our strategy (with little or no notice if needed) to ensure the safety of our residents and staff. We thank you in anticipation for your understanding.

As always if you have any questions, please do not hesitate to contact us on info@rembrandtliving.org.au or 8198 0300.
