## Introducing the Lifestyle Team at Rembrandt Court

**Shari (Coordinator)** started at Rembrandt in December 2019 holding a few positions until she found her passion in Lifestyle. Prior to Rembrandt she worked in Property Management in Real Estate

**Annelies** has been with Rembrandt for 18 years and is part of the furniture lol! Originally from Holland, our residents love Annelies' caring and kind nature.

**Amy** has been at Rembrandt for about a year, after moving from Home Care. Amy brings great creativity and ideas to the table and has an energy our residents love.

**Bibek** has worked at Rembrandt for about 7 years, in both Care Work and Lifestyle shifts. He enjoys having residents involved in activities and ensures everyone is engaged and included.

**Roshan** is one of the newest members to the Lifestyle Team. His enthusiasm and ideas are greatly appreciated by everyone along with the fun and kindness he brings to the role.

**Prab** also is new to the Lifestyle Team. His energy and ideas are enjoyed by residents and staff who love the fun, and his kind caring approach.

Our Lifestyle team are passionate about our residents and their wellbeing and happiness is what matters most. If we can leave the day knowing we have made at least one resident smile, then we can feel good that we are making positive impacts on our residents. The staff, the culture and our residents make working at Rembrandt like working in a big family!
