## HOME CARE TEAM DAY

On Wednesday 3rd of May the Home Care team gathered together for a day of reflection, planning and celebration of the fantastic achievements the Home Care team have accomplished over the years.

Our CEO Deb Dutton spent the day with Tracey Murray and the team as we reflected and brain stormed on what we do well and what we might do differently to ensure our amazing culture continues to thrive. So that we are able to continue to deliver our gold star, personalised, signature service to our beloved clients.

We were visited by Jane Wundersitz: An award-winning speaker and Australian Master Trainer who led us through an afternoon of learning about how we thrive by using our strengths and how positive emotions increases our capacity and performance. We also explored the different personalities within our team, the strengths we each hold and how each member of the team adds unique and individual value to the Home Care Team.

*Jane Wundersitz: "I left on a high. You have such a dedicated team and a really lovely culture of care. The clients you support are incredibly fortunate."*
