## CHANGES TO HOME CARE PACKAGE FEES FROM 1 JANUARY 2023

The Australian Government have passed legislative changes to cap the prices of Case Management for all Home Care Package clients. The legislation will come into effect as from 1st January 2023 and is one of the recommendations that has come from the Royal Commission into Aged Care.

As a result of this we have completed a full review of our pricing structure, including benchmarking with others in our industry. We have to decrease our Case Management Fees and increase the hourly rates we charge for services we provide.

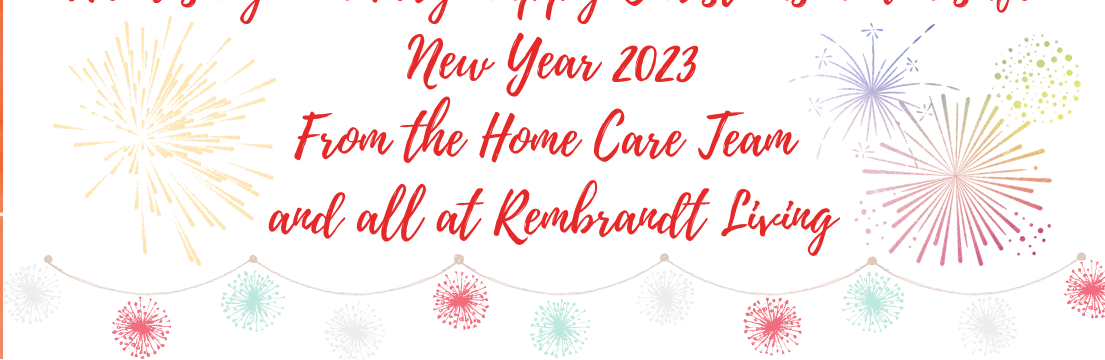

This will not impact your 'out of pocket expenses' however will impact the charges to your home care package.

Your Home Care Coordinator will be in touch with you to provide further information, answer any questions you may have, and an information pack has been posted to all package clients.

We appreciate your continued support and we will continue to support all of our valued clients by providing excellence in quality care.

*Thank you for being apart of the  
Rembrandt Living community.  
We wish you a very happy Christmas and a safe  
New Year 2023  
From the Home Care Team  
and all at Rembrandt Living*
