## SUCCESSFUL AUDIT AT REMBRANDT COURT

This week we successfully passed two very important audits, the Annual Food Safety Audit and an unannounced Aged Care Quality and Safety Commission visit, where they reviewed our Nutrition and Hydration compliance.

Each year, the Marion council attends Rembrandt Court to conduct an audit on our compliance with the Food Standards Australia and New Zealand (FSANZ). On Tuesday, the Auditor thoroughly checked our processes against our Food Safety Plan, reviewed a full 12 months' worth of record keeping and visually inspected all food preparation areas. The feedback provided at the end of the audit was very positive, and we retained our 12 months compliance period based on our performance.

Then, on Thursday the Aged Care Quality and Safety Commission arrived unannounced to conduct an audit on food, nutrition and dining. The two auditors conducted staff and resident interviews, reviewed various forms of 'evidence' (documentation that supports what we say we do) and completed short observations in the dining rooms. At the exit meeting, the auditors provided extremely positive feedback, they made special mention that our food looked and smelt great, the dining rooms were well suited for a pleasant dining experience and the connection our staff have with residents was very obvious.

Thank you to everyone involved, including everyone who was interviewed. It was a massive team effort, congratulations!

Wednesday 18th October, attended by five residents and two staff members with the following discussed:

- Some meals can be too spicy - the kitchen has been notified
