## RESIDENTS & FAMILIES INFORMATION NIGHT

Rembrandt Living is pleased to invite you to a Resident and Families Information Night. Please join us for a presentation on “End of Life Care: The Rembrandt Approach” and the importance of Advance Care Directives. Additionally, there will be an opportunity to meet and chat with our newest senior management staff members.

We all know death is an inevitable and sad part of life, yet many of us do everything we can to avoid talking or thinking about it. When the time comes, Rembrandt Living wants to provide end of life care in accordance with the wishes and needs of our residents.

By attending our “End of Life Care: the Rembrandt Approach” session and working with our clinical staff, our residents can ensure that their individual information is up to date. This will enable us to maintain updated care plans for our residents, ensuring we have this vital information readily available when the time comes. Please RSVP to the Reception team or contact Sam directly. All residents, next of kin, and Families are welcome!
