LOST PROPERTY AT REMBRANDT COURT

With 89 residents living here at Rembrandt Court, we tend to accumulate some lost property. Over the past few months we have collected items such as watches, rings, brooches, locket, pouches, reading glasses and clothing items. Please chat to a nurse or a member of the admin team if you believe you are missing any personal belongings.

There is also a lost property rack, located in the hall way near the kitchen doors. This rack will be available to all residents and family members during the first week of each month. To help avoid any lost property please check that all clothing items are labelled, and if not please place item in a plastic bag (named) and leave with the reception staff. Slav will be happy to label them for you and return once completed.
