ICE CREAMS AT REMBRANDT COURT

It's amazing what you can come up with when you have the passion and initiative. Our Rembrandt Living kitchen staff are always trying to improve the lives of our residents through the enjoyment of food and their latest initiative is homemade ice blocks. These tasty new creations have been enjoyed by many residents including those who may ordinarily be unable to eat ice blocks given their modified diets. Our kitchen staff have been trialing a range of recipes using fruit, yoghurt, chocolate and even peanut butter. Some ice blocks have added ingredients to assist in protein intake, some aim to boost calories for fussy eaters and all assist residents to keep cool in the hot weather while supporting hydration. YUM!!

NO MORE BLUE MASKS AT REMBRANDT COURT

We are pleased to announce that our last COVID resident has finished the isolation period and we no longer have active cases in Rembrandt Court. We have decided to remove masks as of 1st February 2024, effective from midnight.

Thank you to everyone for being patient and supporting our decision to wear masks over the past few months. It will be great to be able to see everyone's smiles once again!

Please remember to monitor yourselves for any symptoms, covid, flu, etc. Please stay away if you are unwell and continue to practice good hand hygiene.

MAY SHE REST IN PEACE

It is with great sadness that we announce the passing of Rembrandt Living resident Mia Stabile on 30th January 2024. Our thoughts and prayers are with Mia's family and friends during this time.
