WEEKLY RESIDENT MEETING MINUTES

The Wednesday 7th February 2024 meeting was attended by five residents, one staff member and one family representative during which the following topics were discussed:

- Thank you to Allied Health and Ryan for swapping out a residents mattress- she had a much better night sleep 😊
- A resident gave thanks to Slav for cleaning her curtains
- A resident gave thanks to Jo (kitchen) for providing tablecloths in the Rose dining room – they look great!
- Residents would like the Rose Lounge to have a makeover/revamp? They feel it is dull, dark and a little dated. They particularly don't like the blue wall and feel it needs a "brighter lighter" blue. Residents feel that the furniture in Rose is dark and old.
- A resident also questioned whether chair covers could be placed on lounge chairs because they are often dirty?
- A resident also mentioned that the residents in Rose House are not getting offered fresh fruit as often anymore? The Kitchen staff have been asked to investigate this.
- A resident would like to thank management for allowing her to continue to dine upstairs, she is very grateful and likes eating up there.
- Residents both commented that lunch today (Wednesday) was excellent! Very tasty.
- The Family representative would like some more basic colouring books and jigsaw puzzles in Magnolia House. He suggested large pictures and puzzles with bigger pieces .
- The Family representative would like if we could be provide residents with fruit that is easily held and give the residents the chance to eat themselves? e.g. hand held watermelon
