# THE WINDMILL

The Rembrandt Court Weekly Newsletter

The entire Rembrandt Living family is feeling extremely proud after hosting another successful education conference, **Teepa24**, with 280 people who share our mission to improve care of older people living with dementia, joining us at Morphettville Racecourse on Tuesday, March 19. Teepa lead an interactive and motivating day filled with learning, laughter and a few tears. Joined by guest Maggie Beer for a segment on the dining experience, attendees learned how food and meal times can be a really overwhelming experience, how we can better support someone to get the nourishment they need and how important being connected is. The addition of some personal stories allowed Teepa and her team to use real life examples of how the Positive Approach to Care can change someone's life. Thank you to the families who shared their personal stories, you are truly amazing individuals for being so open. Our very own Nicoline Munday needs a special thank you for keeping us on track as our MC for the day. It didn't stop there, on Wednesday 20th, Rembrandt also hosted 40 aged care professionals at Rembrandt Court. This time Teepa delivered her Champion Course in person, allowing the attendees to learn skills needed to apply the Positive Approach to Care
