COVID-19 VACCINE BOOSTER CLINIC - RETURN TO REMBRANDT COURT

Rembrandt Court will be conducting a COVID-19 vaccine booster clinic on Thursday 4th April 2024. This clinic will give an opportunity to those residents who have not received their boosters. The team at North Plympton Terry White Chemmart have confirmed that they will coordinate the booster vaccine clinic from 10.30am. ATAGI, Australian Technical Advisory Group on Immunisation, recommends vaccinations as the most important measure to protect those at risk of severe disease from COVID 19. For adults over 75 years old, ATAGI

recommends the booster every six months. If you or your loved one would like to receive another vaccine dose, we kindly ask you to complete a consent form available from reception staff. Please complete and return ASAP. As always should you have any queries or concerns, please speak to the Nurses directly or call Edmondo on (08) 8198 0300.
