## THE DOREEN STREET PROJECT

This week we saw the first steps taken towards our 'Doreen Street Project' in Oaklands Park, right next door to Madras Street. A big thanks to the guys from Burton Demolition for kicking things off and helping to create some space for a new project coming to Doreen Street. There are exciting plans underway so watch this space! #newbeginnings

## ADVANCE CARE DIRECTIVES

Do you know what an Advance Care Directive is? It is a legal document that empowers you to make decisions about your future health care based on your values, beliefs, and what matters most to you. It ensures that your wishes for future care are known, if you are unable to communicate or make particular decisions for yourself, due to an illness or injury.

Improvements have recently been made to the Government of South Australia's Advance Care Directive legislation and materials. The redesigned Advance Care Directive Kit has a contemporary look and feel and is easier to understand and complete. The Kit includes a step-by-step do-it-yourself guide, as well as one Advance Care Directive form and the required documents, making it easier for people to complete an Advance Care Directive. Please note that existing completed Advance Care Directive forms remain legally valid and there is no requirement to update them using the redesigned form.

You can download, print resources and collect an Advance Care Directive Kit for free at select libraries across South Australia.

## WEEKLY RESIDENT'S MEETINGS

Wednesday 10th April 2024, attended by eight residents and two staff members with the following discussed:

- Residents would like the "Lift grate" cleaned - domestic staff have been notified.
- Residents agreed that the food being served is great and feel very lucky to have such wonderful choices
- The toast is still unusually thin - Kitchen staff notified
- The coffee machine water temperatures were checked as residents and some staff believed them to be too hot - Kitchen staff conducted a spot audit on all coffee machines in Houses and made adjustments where needed.

## RESIDENTS' BIRTHDAYS

# BOARD MATTERS

The monthly newsletter of the Rembrandt Living Board

Rembrandt Living is a not-for-profit incorporated association owned by Members and governed by a Board of Directors.

The Board is responsible for the overall governance, management and strategic direction of the organisation including performance in line with our goals and objectives.

The operations of the organisation are delegated to the CEO.

The Board meets at least 10 times per year.

The Board meeting was held on Wednesday, April 3rd, 2024, in the Rembrandt Court Board Room, with all Directors in attendance. The April meeting is typically reserved for strategy review or professional development however due to a growing list of matters for attention the meeting was held in the usual fashion.

The very successful Teepa24 event was a topic of discussion, see some picture below. The Chair invited the Directors who attended to provide feedback following the Conference. The Directors thoroughly enjoyed the day and considered the conference an outstanding success, highlighting their individual learnings. The Directors also acknowledged the tremendous effort required to organise such a large event, particularly by a small organisation like us. The CEO will compile a comprehensive report and present to the Board once all feedback and data is received.

The Strategic Plan was reviewed as we are halfway through it's implementation period. By this time next year, a new strategic plan will be drafted. The Board are confident that the current strategic plan remains relevant and reflects our direction for the next 18 months.

A small sub committee reported back conducted the annual review of the Vision, Mission, and Guiding Principles. Several changes were proposed to the board, and the final draft was adopted.
